5 Sec. 11. (a) This section applies to a taxpayer that claims
 6 qualified production expenditures of at least six million dollars
 7 (\$6,000,000) in a taxable year for purposes of the tax credit under
 8 this chapter.

9 (b) Subject to section 9(b) of this chapter and the corporation's
 10 approval of a tax credit for the taxpayer under section 13 of this
 11 chapter, a taxpayer may claim a tax credit under this chapter that
 12 equals the product of:

- 13 (1) the percentage determined by the corporation under
 14 section 13 of this chapter; multiplied by
 15 (2) the amount of the taxpayer's qualified production
 16 expenditures in the taxable year.

17 Sec. 12. (a) To receive the tax credit provided by this chapter, a
 18 taxpayer must claim the tax credit on the taxpayer's annual state
 19 tax return or returns in the manner prescribed by the department.
 20 The taxpayer shall submit to the department all information that
 21 the department determines is necessary for the calculation of the
 22 credit provided under this chapter.

23 (b) In the case of a taxpayer that claims a tax credit under
 24 section 11 of this chapter, the taxpayer must also file with the
 25 taxpayer's annual state tax return or returns a copy of the
 26 agreement entered into by the corporation and the taxpayer under
 27 section 13 of this chapter for the tax credit.

28 Sec. 13. (a) A taxpayer that proposes to claim a tax credit under
 29 section 11 of this chapter must, before incurring or making the

 31 approval of the tax credit.

32 (b) After receiving an application under subsection (a), the
 33 corporation may enter into an agreement with the applicant for a
 34 tax credit under section 11 of this chapter if the corporation

(c) If the corporation and an applicant enter into an agreement under this section, the agreement must specify the following:

(1) The percentage to be used under section 11(b)(1) of this chapter in determining the amount of the tax credit. The percentage may not be more than fifteen percent (15%).

Sec. 14. If the amount of the tax credit provided under this chapter to a taxpayer in a taxable year exceeds the taxpayer's state tax liability for that taxable year, the taxpayer is entitled to a refund of the excess.

Sec. 15. If a pass through entity is entitled to a tax credit under this chapter but does not have state tax liability against which the tax credit may be applied, a shareholder, partner, or member of the pass through entity is entitled to a tax credit equal to:

(1) the tax credit determined for the pass through entity for the taxable year; multiplied by

(2) the percentage of the pass through entity's distributive income to which the shareholder, partner, or member is entitled.

Sec. 16. A taxpayer may not sell, assign, convey, or otherwise transfer a tax credit provided under this chapter.

Sec. 17. Notwithstanding any other provision, including any reciprocity agreements entered into by the state, a taxpayer that is a corporation or a nonresident person and that claims a tax credit under this chapter (or any successor in interest in any part of the taxpayer) must file an Indiana income tax return for at least the first five (5) years that the taxpayer has income from the qualified media production for which the tax credit was granted. Notwithstanding the income apportionment provisions of IC 6-3 and any rules adopted by the department, in the case of a corporation or a nonresident person (or any successor in interest in any part of the corporation or nonresident person), the part of the income from the qualified media production that for purposes of taxation under IC 6-3 is considered to be derived from sources within Indiana is equal to:

(1) the income of the corporation or nonresident person (or the successor in interest in any part of the corporation or nonresident person) from the qualified media production; multiplied by

(2) a percentage equal to:

(A) the amount of qualified production expenditures for

1 which the tax credit was granted for the qualified media
2 production; divided by

3 (B) the total production expenditures for the qualified
4 media production.

5 Sec. 18. (a) If a taxpayer (or any successor in interest in any part
6 of the taxpayer) fails to satisfy any condition of this chapter or any
7 condition in an agreement under section 13 of this chapter, or fails
8 to file tax returns as required by section 17 of this chapter, the
9 corporation may:

10 (1) disallow the use of all or a part of any unused tax credit
11 granted to the taxpayer (or any successor in interest in any
12 part of the taxpayer) under this chapter;

13 (2) recapture all or a part of the tax credit under this chapter
14 that has been applied to the state tax liability of the taxpayer
15 (or any successor in interest in any part of the taxpayer); or

16 (3) both disallow the tax credit under subdivision (1) and
17 recapture the tax credit under subdivision (2).

18 (b) A taxpayer may not receive a credit under this chapter
19 unless the taxpayer:

20 (1) consents that the taxpayer (and any successor in interest
21 in any part of the taxpayer) will be subject to the jurisdiction
22 of Indiana courts;

23 (2) consents that service of process in accordance with the
24 Indiana Rules of Trial Procedure is proper service and
25 subjects the taxpayer (and any successor in interest in any
26 part of the taxpayer) to the jurisdiction of Indiana courts; and

27 (3) consents that any civil action related to this chapter and in
28 which the taxpayer (or any successor in interest in any part of
29 the taxpayer) is a party will be heard in an Indiana court.

30 Sec. 19. A tax credit may not be awarded under this chapter for
31 a taxable year ending after December 31, 2017.

32 SECTION 2. [EFFECTIVE JANUARY 1, 2016] (a) IC 6-3.1-32.3,
